HOSPITALS

The Journal of the
American Hospital Association

1947 INDEX

Volume 21
January to December, Inclusive

Published by the
American Hospital Association
18 East Division Street
Chicago 10, Illinois

How the Index Is Arranged

This index is arranged alphabetically with names of authors, titles, and subjects in one list.

The following headings are used (names of hospitals, government departments, commissions, conferences, societies, and similar headings are not included here).

News of state hospital associations will be found under the heading **State Hospital Associations,** each state listed alphabetically under this subject.

Regional hospital associations are listed under the name of the association.

Administration. **See** Organization and Administration
